Kestrel Heights School will enroll any student who is selected in our blind lottery admission process, and, who has been promoted by any other NC Public School or by any other state school system. In the case of homeschooled students or students coming from unaccredited private schools, KHS will base all enrollment decisions on nationally recognized testing results the student may have completed; or we will have such student take a series of tests to assess their appropriate grade placement.

I am the parent/guardian of the listed student. To the best of my knowledge, the information I have given in this application is correct and complete.

The Corporation for Effective Schooling governs Kestrel Heights School, a nonprofit corporation that does not discriminate on the basis of gender, race, religion, national origin, age, disability, or measures of achievement or aptitude in admissions. This Charter School reserves the right to accept or deny admission on a case-by-case basis to students who are under long-term suspension or expulsion by another public school.

Kestrel Heights School (KHS) offers a unique educational opportunity that requires full-time student attendance.

**Please give us the grade you anticipate your child entering next year. If the child who wins a seat in the lottery is not promoted to that grade level, the lottery seat is lost and the child moves to the end of the waiting list for the appropriate grade. KHS also reserves the right to place student in appropriate grade level in accord with KHS promotion standards.*
